#### **THE UNAM STUDENT HARDSHIP FUND**

The Chancellor's Golf Day is a fundraiser, all proceeds of which go to the UNAM Student Hardship Fund. The Fund is aimed at assisting students in exceptional financial distress with contingency funding to cover academic related expenses that they cannot afford on their own. For example, students already struggling to pay for their tuition may find an unexpected expense, such as obtaining spectacles, an insurmountable challenge; alternatively, a retrenchment in the family network supporting a student could easily call an abrupt halt to his or

her studies; most students walk miles every day to get to campus, from as far as the informal settlements in Northern Windhoek and at great personal risk; others have no money for food and literally collapse in the lecture halls.....the Hardship Fund is an important mechanism to help students with such personal crises.

Any donation, no matter the size, is welcome and can make the crucial difference between defeat and success in a student's life. Your support for this worthy cause is welcomed and appreciated.
