

Media Invite

28 May 2018

Dear Media,

The University of Namibia is at preliminary stage to establish a **Centre for Mining and Metallurgical Research and Training**, envisioned to be based in Arandis, Erongo Region.

It is for this reason that UNAM is conducting a stakeholder's meeting, in partnership with the Chamber of Mines of Namibia, supported by key stakeholders, such as Debmarmine Namibia, Orano Mining Namibia, Swakop Uranium, among others.

I would like to thus invite you to the Stakeholder Conference opening ceremony for potential coverage, as well as to the various plenary sessions of interest, as follows:

1. **Windhoek:** Stakeholder Conference on the establishment of the **Centre for Mining and Metallurgical Research and Training** of the University of Namibia:

Official Opening Ceremony:

Keynote address: **Hon. Tom Alweendo, Minister of Mines and Energy**
Date: **Thursday, 31 May**
Time: 09:00 – 11:00
Venue: Safari Hotel & Conference Centre, Windhoek

Plenary Sessions:

Dates: 31 May – 01 June
Times: *See attached programme.*
Venue: Safari Hotel & Conference Centre, Windhoek

NB: Take time to peruse the enclosed event Programme, for a review of the various stakeholders and presentations by local and international subject experts.

For any interview requests, as well as seating allocations and media pack, please contact:

Simon N. Namesho, Public Relations Officer, University of Namibia
