CALL FOR ABSTRACTS

3rd Multi/Interdisciplinary Research Conference

23 – 25 JULY 2019 | WINDHOEK, NAMIBIA

Theme: The Africa we want: Wealth creation for Sustainable Growth and Social Transformation

The Multidisciplinary Research Centre (MRC) at the University of Namibia will be hosting the 3rd Multi/Interdisciplinary Research Conference under the theme: *The Africa we want: Wealth creation for Sustainable Growth and Social Transformation*. The main objectives of the Conference is to provide recommendations for policy and programme interventions, and evoke innovation for continental socio-economic transformation. It is anticipated that the Conference will yield insightful policy recommendations to achieve the Africa we want.

SUBTHEMES

The call is open to academics, practitioners from the public and private sector, NGOs and civil society as well as development partners to submit abstracts on any of the following conference subthemes:

- Ageing and Intergenerational Relations
- Child and Maternal Health
- Climate Change and Disaster Management
- Communicable and Non-Communicable Diseases
- Economic Growth and Income Inequalities
- Education and Labour Force
- Energy
- Environmental Protection and Natural Resources Management
- Food Security and Ending Hunger
- Gender and Population
- Health, Nutrition and Wellbeing
- Indigenous Knowledge Systems
- Industry, Innovation and Infrastructure
- Land
- Marine and Aquatic Sciences
- Poverty Eradication
