

NUCLEAR SCIENCE AND TECHNOLOGY CONFERENCE 2024

UNLOCKING THE POTENTIAL OF NUCLEAR SCIENCE AND TECHNOLOGY FOR NAMIBIA'S DEVELOPMENT

Aim of Conference

Bringing together policy makers, scientists, experts and nuclear industry players to explore the potential of nuclear science, technology and applications in advancing Namibia's social and economic development.

Topics to be Covered

Industrial applications

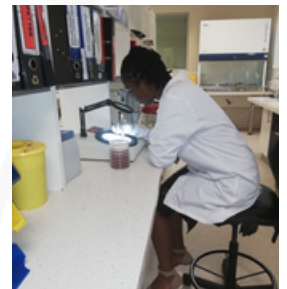

Radiation Medicine

Nuclear Fuel Cycle

Food and Agriculture

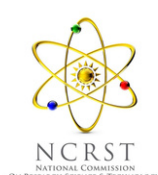

Research

For registration

Dates: 23-25 October 2024

Place: Swakopmund

NAMIBIA
UNIVERSITY
OF SCIENCE AND
TECHNOLOGY

UNAM
UNIVERSITY OF NAMIBIA

CONTACT: ATOMIC ENERGY BOARD
ORGANISING COMMITTEE

EMAIL: NST.CONFERENCE@MHSS.GOV.NA; PHONE: +264-61-203-2417/8

NUCLEAR SCIENCE AND TECHNOLOGY CONFERENCE 2024

**UNLOCKING THE POTENTIAL OF NUCLEAR SCIENCE AND TECHNOLOGY FOR
NAMIBIA'S DEVELOPMENT**

Call for Abstracts

Abstracts (approximately 500 words (including title) on one or maximum of two A4 pages on all aspects of nuclear science applications and research.

Topics

- Applications of radiation in medicine (nuclear medicine, diagnostic imaging and radiotherapy)
- Dosimetry, physics, and instrumentation
- Radiation protection for personnel and patients
- Environmental radioactivity
- Nuclear Fuel Cycle
- Industrial application
- Applications in Agriculture

Key Dates

Abstract submission: 30 July 2024
Abstract Acceptance: 30 August 2024

Submission

Submit your abstract to:
NST.Conference@mhss.gov.na
